

YOUR PARTNER FOR INDIVIDUAL TRAINING

in the field of WDT crimping machines
and crimping technology.

IT'S TIME FOR A REFRESH!

Do you have new
colleagues in the team?

Do you like to perform service & maintenance on the machine on your own?

Do you wish to boost your
sales volumes?

Do you have a desire to
offer your customers the
best possible service?

**Increase your knowledge –
for retailers free of charge.**

WHAT YOU GET FROM US

- 01** Product training sessions
- 02** Training for specific crimping applications
- 03** Machine training with certification

We are happy to support you with
individual training courses.
